EDUCATION

Southern Methodist University

Ph.D. in Data Science

Dallas, TX

Aug 2025 - Present

Georgetown University

Washington, DC

M.S. in Data Science, GPA: 3.98/4.00

Aug 2023 - May 2025

University of California, Santa Barbara

Goleta, CA

B.S. in Applied Mathematics, GPA: 3.21/4.00

Sep 2018 - June 2022

PUBLICATION

^{*}Equal contribution.

RESEARCH EXPERIENCE

Chinese Academy of Sciences, Institute of Automation, National lab of pattern recognition

Beijing, China

Research Assistant

Jul 2021– Oct 2021

- Conducted a study on risk factors of Generalized Anxiety Disorder (GAD) in China; cleaned GAD-7 questionnaire responses and built a dashboard to visualize qualitative and quantitative survey results.
- Applied correlation analysis, binary and multivariate regression, and cluster analysis to examine risk-factor thresholds, estimate diagnostic confidence, and identify key demographic factors associated with GAD tendency.

WORKING EXPERIENCE

Wingtech Technology, LED power supply and lighting ODM/OEM manufacturer

Shanghai, China

Part-time Assistant

Jul 2022 – Oct 2022

- Built a binary image-classification workflow to distinguish functional and damaged CPU socket pins; collected, labeled, and uploaded over 300 socket images for model training.
- Monitored training performance through a web-based platform and validated model predictions on new socket images to support timely defect detection.

TEACHING EXPERIENCE

Southern Methodist University

Teaching Assistant

Dallas, TX

Aug 2025 – Present

- Assisted with CS 7328 *Software Engineering* and CS 7344 *Computer Networks*; supported course instruction, student questions, assignments, and grading.

Georgetown University

Teaching Assistant

Washington, DC

Sep 2024 – May 2025

- *DSAN 6700 Machine Learning Application Deployment*, Sep 2024 – Dec 2024.
- *DSAN 5300 Statistical Learning*, Jan 2025 – May 2025.
